

I WANT TO MAKE GOOD CHOICES

I really want to make good choices....

I'd like to help my Mum and Dad at home. I'd like to obey when they ask me to clean my mess

I'd also like to play nicely with my brother at home or my friends at school.

I really want to make good choices....

I'd like to help my Mum and Dad at home. I'd like to obey when they ask me to clean my mess

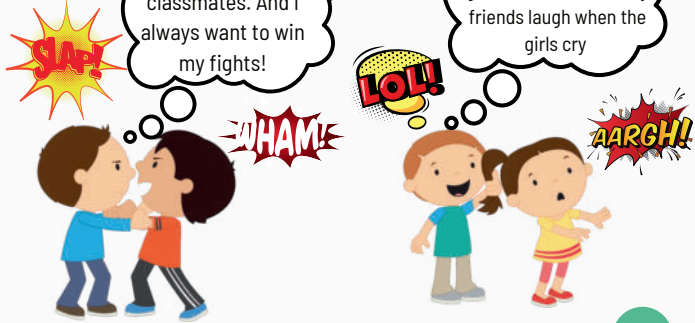

I'd also like to play nicely with my brother at home or my friends at school.

But then, I make bad choices....

I fight with my brother and my classmates. And I always want to win my fights!

I pull my sister's hair and even the hair of the girls at school. I and my friends laugh when the girls cry

I join in when Rose teases the little kids at school for being so small and weak.

Hmn, I know it's wrong to tease other people, to fight, steal, tell lies and cheat. But I can't help myself!

Hmn, I know it's wrong to tease other people, to fight, steal, tell lies and cheat. But I can't help myself!

Hey! I've got good news! Jesus died and rose again to save you from your sins. He is the ONLY ONE that can help you to make good choices.

Yes, Jesus is alive! He can help you to say no to bad choices. Ask Him to be Your Friend today. Jesus loves you very much.

Woohoo!

If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. 1 John 1:9
