

# YUMMY CUPCAKES IN THE DARK

It was bedtime. I tried to sleep but could not....

yum!

Hmn, Mum's cupcakes smell delicious. I am getting hungry now

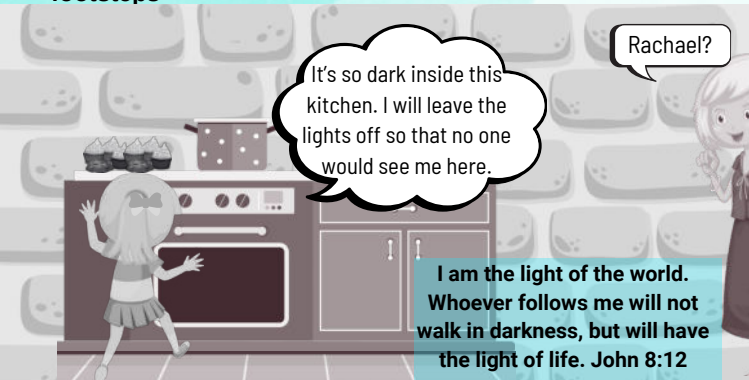

Mum said I have to wait till tomorrow before eating them.

No, I can't wait! I want to have a cupcake now.

I have come into the world as light, so that whoever believes in me may not remain in darkness. John 12:46

Silently, I opened the door of my room and went to the kitchen.

I tiptoed to the kitchen so that no one would hear my footsteps

Mum walked into the kitchen and turned on the light!

I...I...I wanted a cupcake.

I'm sorry Mum. I will wait till tomorrow.

What are you doing here alone in the dark? You could get hurt.

I see. But this is not right. This is called STEALING. I asked you to wait till tomorrow.

Jesus loves you very much. He wants to fill your heart with His light.

Jesus wants to be your best Friend. If you ask Him to be your Friend today, he will make every darkness in your heart go away.

When you tell lies, steal, cheat, disobey, fight, bully, gossip, and sin against God, it means you are walking in darkness

Jesus came to the world. He died and rose again to save you from your sins.
